

KASTEN REPORTS TO TROJAN CAMP

Torrance's Don Kasten reports Thursday to Bovard Field at SC along with some 60 other Trojan grid hopefuls as Coach Jess Hill beckons his charges to the opening of fall practice.

Kasten, a 1953 THS grad, is a 6 foot, 190-pound fullback on the squad. A sophomore, he was a pile-driving fullback on the undefeated SC freshman team last year.

San Diego Not Too Tough for Alabama Team

Morrisville, Pa., won the Little League World Series Friday by shaving the Delaware, N. J. Township club, 4-3, on a seventh inning homer.

The Region 8 representative, North Shore Little League of San Diego, was eliminated in its first game, 4-1, by Auburn, Ala., on Wednesday. The San Diegans, who showed tremendous power in romping to victory in the regional tourney at Santa Monica, were held to two hits by the Auburn nine.

San Diego beat Torrance, 11-2, in semi-final play of the Region 8 tournament. They defeated Cedar City, Utah, 17-4, in the championship game.

Warrior Grid Hopefuls Report To Camp Today

Defending Met Loop Kings Face Rebuilding Job

Twelve returning lettermen will lead a contingent of 80 prospects for the 1955 El Camino Warrior football team in opening practice sessions beginning Thursday.

Norm Verry, head coach of the 1954 Western representatives to the Junior Rose Bowl, will greet hopefuls for the first time today, when physical examinations are the order of the day. Equipment will be issued tomorrow and Wednesday, and the squad will face cameras Thursday morning, when coaches will reserve three hours for photographers and the press.

Lettermen expected to return to the Warrior fold are halfbacks Roger Motoyer, Larry Roy, Bill McKinney, Gerie Wight, and Don Kulpac; centers Boy Benstead and Roland Rutter; ends Bobby Bass and Ted Wall; guards Pat Reagan and Warren Wardlow, and tackle Joe Zicaro. Wardlow, a tackle in 1954, will switch to guard this season, while Zicaro is making the opposite change.

Other Veterans

Other experienced hands on the El Camino gridiron this fall will be those of Norton Engen, halfback; Ed Schoolcraft, half, and Tony Leon, guard. This trio saw service with last year's Rosebowlers. Three or four veterans who have seen pigskin duty with the Warriors are expected to return to the college following their release from military service.

Among newcomers to the Camino eleven this fall will be Hawthorne High star quarterback, Jerry Nicholson. "We hope he will be as valuable this year as he was in high school," John Morrow, coordinator of athletics at El Camino, commented regarding the anticipated presence of the Cougar flash.

Morrow's statement, "We need quarterbacks!" indicates that he does not consider Nicholson the sole answer to problems at this key spot.

Assistants Named

Assisting Verry with coaching tasks this year will be the same staff which performed in 1954. Ambly Schindler will be backfield coach, Doug Essick will handle the ends, while Morrow assists with backfield work and handles the junior varsity squad.

The Warriors will make their first public appearance on the home field in the annual alumni game to be played Sept. 17. Last year's Metropolitan loop champs emerged from a 13-0 defeat at the hands of the Metro schedule and earn the right to represent the West at Pasadena, where they suffered a 13-7 setback at the hands of Hinds JC of Mississippi.

Los Angeles City College and Modesto JC will be the Warrior's opponents on Sept. 24 and 30, with East Los Angeles furnishing the first conference competition Oct. 7 on the Huskie field.

Unbeaten Trojan Club Takes Flag

Five runs in the last inning gave the Trojans a 12-8 win over the Huns, Tuesday, and the Girls' Softball League title went with the win, as final games of the summer schedule were recorded.

The Trojans kept their unblemished record intact by walloping the Huns behind the one hit pitching of Cora Creach. The winners got their five final tallies on two hits, three walks and a pair of errors.

In the second game of the Tuesday double bill at Walteria Park, the Duds came from behind to trip the Rogues, 9-8. A lead-off double by Alice Albertson in the fifth inning and following up singles by Marsha Iwata and LaJuana Rainer gave the Duds two runs and the ball game.

Hayes Hurls Win

Ada Dot Hayes hurled the win for the Duds, while Coleman Turgeon was the losing pitcher. The Trojans got five hits in their win over the Huns, with outfielder Betty Creach getting two of the bingles. The undefeated Trojans scored three times in the first and fourth frames and once in the second, in addition to their game-winning five-run rally in the fifth inning.

Joan Vachalek was the losing hurler.

The Huns and Walterians played a double header Thursday night at McMaster Park, although it wasn't on the schedule. Fighting for second place in the league, the Huns massacred the Walterians, 27-0, in the first game, which went three innings.

Both squads were tied for second spot following the tilt, so they engaged in a sudden death play off fray. The Huns

took that one too, 19-7.

In the first game the Huns got 20 runs in the third inning before the rout was called. They had little trouble handling the Walteria group in the nightcap, too.

Joyce Flocken was the winning pitcher in both games, while Marge Grace took the loss for the Walterians in the first encounter and Rachel Poulson was the losing hurler in the finale.

Dove Season Will Open On Saturday

A straight 30-day dove hunting season from Sept. 3 through Oct. 2 has been approved for California by the fish and game commission.

A limit of 10 doves in the aggregate of all species, the same as last year, will be in force, the commission announced.

Major changes from the 1954 regulations was the adoption of the straight instead of split season, and the elimination of the noon opening. This year's season will begin on a Saturday instead of the traditional Sept. 1 date.

White-winged doves can be hunted in Imperial and Riverside Counties.

Shooting hours statewide are from one half hour before sunrise to sunset.

Season for band-tailed pigeons again will be Oct. 1 through Oct. 31 in Del Norte, Siskiyou, Modoc, Lassen, Shasta, Trinity and Tehama Counties only.

In the remainder of the state the season will be Dec. 1 through Dec. 31. Bag and possession limit is six birds. Shooting hours for pigeons will be one half hour before sunrise to sunset.

These regulations were set within the limits laid down by the United States Fish and Wildlife Service.

Champs Take All Stars

Victorious in all league games, the championship Trojans faced the best the Girls' Softball League could offer Friday night at Walteria Park and turned back a loop all star squad, 24-7.

The all star contest, coupled with a watermelon feed, capped the girls' summer softball play, which has been sponsored by the Torrance Recreation Department.

Singles by winning hurler Lila Cordray and Joyce Bernhardt, two walks and an error got the Trojans four runs in the first inning and they were never headed. They got five counters in the second, four in the third and fifth frames and seven in the last of the sixth.

The all stars got two tallies in the third, one in the sixth and four in seventh.

Cordray and Bernhardt got four hits apiece for the Trojans. The stars didn't get a safety until the top of the seventh when Sue Camp and Mary Wood both got singles.

GOLF SENSE

By STEPHEN CONNOLLY
Pro, Torrance Fairways

"One up and two to go." Any golfer who has participated in match play knows what is meant by this expression. For the one's who don't know, the term is applied to a person or group that holds a one hole lead with two holes left to play.

If the person or group holding the lead should have the next two holes, the match would go to them by a score of one up. And if the opponents should win the next two holes, then the one up advantage, and the match, would be lost.

When such an advantage is held by a player, careful play should result with only sure things and not chance taking. Here is an illustration of how an experienced player threw caution to the wind when he was one up.

He proceeded to drive his ball out of bounds on the 17th hole, which he lost. He went into the 18th hole all even with his opponent and both golfers reached the green on two strokes. The pro who enjoyed the one up advantage previously, three-putted, while his opponent got down with two more strokes to win the match.

Moral of this story is be careful and don't get greedy in match play, when you have your opponent "one up and two to go."
